The Endocrine Society - Tamil Nadu and Puducherry

The Endocrine Society of Tamil Nadu and Puducherry was formed in 2013 with a view to spread awareness about the specialty to the public and to fulfill the need for a state level organization for the specialty. The aim of the Society is to unite all practicing physician endocrinologists qualified and trained or otherwise interested to work for the cause of Endocrinology and subjects with Endocrine disorders. The other aims are to propagate recent developments in the endocrine science through periodic conduct of conferences and publish journals, newsletters or guidelines. To publish books for lay public, under and post graduate medical students and others.

TRENDO 2025 will also represent the 13th Annual meeting of the Endocrine Society of Tamil Nadu and Puducherry. It is conducted with a view to spread up to date evidence based knowledge in Endocrinology & Diabetes to Physicians, specialists with allied interest such as Gynecologists and Pediatricians and general practitioners.
